

# Notice of Beginning of Review Cycle

Applications will be heard at the November 19, 2003 Health Services and Development Agency Meeting except as otherwise noted.

*\*Denotes applications being placed on the Consent Calendar.*

*+Denotes applications under simultaneous review.*

This is to provide official notification that the Certificate of Need applications listed below have begun the review cycle effective September 1, 2003. The review cycle includes a 60-day period of review by the Tennessee Department of Health or the Department of Mental Health and Developmental Disabilities. Upon written request by interested parties the staff of The Health Services and Development Agency shall conduct a public hearing. *Certain unopposed applications may be placed on a "consent calendar." Such applications are subject to a review less than 60 days including a 30-day period of review by the Department of Health or Department of Mental Health and Developmental Disabilities. Applications intended to be considered on the consent calendar, if any, are denoted by an asterisk.*

*Pursuant to T.C.A., Section 68-11-1609(g)(1) effective May 2002, any health care institution wishing to oppose a Certificate of Need must file a written objection with the Health Services and Development Agency and serve a copy on the contact person no later than fifteen (15) days before the agency meeting at which the application is originally scheduled.*

For more information concerning each application you may contact the Health Services and Development Agency (615/741-2364).

## NAME AND ADDRESS

## DESCRIPTION

\$ 288,635.00

**NOTICE OF BEGINNING OF REVIEW CYCLE**

Effective September 1, 2003 -- Page 2

NHC HealthCare, Farragut  
120 Cavett Hill Lane  
Knoxville (Knox Co.), TN 37922  
Bruce Duncan – (615)—890-2020  
CN0308-062

The addition of thirty (30) Medicare certified nursing home beds to the existing sixty (60) beds. If approved, the total licensed bed capacity will be ninety (90) nursing home beds: sixty-two (62) nursing home beds and twenty-eight (28) skilled nursing facility beds.

\$ 3,804,600.00

Morristown-Hamblen Hospital  
908 West Fourth North Street  
Morristown (Hamblen Co.), TN 37814  
Jennie Morris – (423)—586-4231  
CN0308-063

The addition of fifteen (15) acute care hospital beds. Thirteen (13) of the beds will be utilized as medical/surgical beds and two (2) as obstetrical beds. The bed complement will increase from 155 to 170 and will be broken down as follows: from 93 to 106 medical/surgical beds, from 7 to 9 obstetric beds, 20 ICU (no increase), 6 NICU (no increase), 17 pediatrics (no increase), and 12 geri-psych beds (no increase). This project also includes renovations and construction to accommodate the increase in beds.

\$ 11,025,903.00

Johnson City Medical Center  
219 Princeton Road, Suite 101  
Johnson City (Washington Co.), TN 37601  
Tony Benton – (423)—431-6824  
CN0308-064

The establishment of an outpatient diagnostic center and the initiation of magnetic resonance imaging “MRI” services. Mountain States Health Alliance will enter into a three (3) year lease agreement with State of Franklin Healthcare Associates Outpatient Center for use of equipment, space and staff previously approved under Certificate of Need CN0212-122A to provide MRI services on a part-time basis, four hours per day, five days per week, Monday through Friday. These services will be provided at 219 Princeton Road, Suite 101, Johnson City, Tennessee.

\$ 1,325,000.00

Summit Medical Center  
5655 Frist Boulevard  
Hermitage (Davidson Co.), TN 37076  
John Wellborn – (615)—665-2022  
CN0308-065

The addition of six (6) acute care hospital beds and the initiation of rehabilitation services. The inpatient rehabilitation unit will contain ten (10) beds and will be located on the seventh floor in approximately 8,700 square feet (SF) of remodeled space. Sixteen (16) existing and unoccupied bed spaces in the 8,700 SF area will be converted to accommodate the ten (10) bed rehabilitation services. This area was formerly the site of a sixteen (16) bed licensed skilled nursing facility (SNF) unit from 1196 to November 2001, when it was closed and delicensed. If approved, the hospital’s total licensed bed complement will increase from 188 licensed general acute care beds to 194 beds as follows: 116 medical beds (from 120 beds), 24 obstetrical beds (no change), 24 ICU/CCU beds (no change), 20 adult psychiatric beds (no change) and 10 rehabilitation beds (from 0 beds), for a total of 194 general acute care beds.
